

# LIONS CARE

**AT SAINT LEO UNIVERSITY, WE CARE ABOUT EACH STUDENT.  
NOTICE A STUDENT IN DISTRESS?**

Please scan below to go straight to a form to get the student quick and effective help. Share because you care!

## **SIGNS OF DISTRESS MIGHT INCLUDE:**

**Anxiety**

**Missing multiple classes and/or assignments**

**Change in personality or appearance**

**Volatile emotions**

**Negative interactions with others**

The Division of Student Affairs response team will involve appropriate resources with a case management approach, providing comprehensive support to students in distress. Please share information as soon as you note a student in distress so that we can help mitigate problems before they become a crisis.
